- Scheduling:** Christine Eckhoff, [chrise@artwolfe.com](mailto:chrise@artwolfe.com)

**Short Bio:** Over the course of his 40-year career, photographer Art Wolfe has worked on every continent and in hundreds of locations. Wolfe's photographs are recognized throughout the world for their mastery of color, composition and perspective. Wolfe's photographic mission is multi-faceted: art, wildlife advocacy, education, and journalism inform his work. Wolfe is the host of the award-winning and internationally telecast series "Art Wolfe's Travels to the Edge," an intimate and upbeat series that offers insights on nature, culture, and the realm of digital photography. It now airs worldwide. Wolfe has released over eighty books, most recently *The New Art of Photographing Nature* and *The Art of the Photograph*. Wolfe maintains his gallery, stock agency, production company in Seattle, Washington. His fine art work is also available through the Rotella Galleries, located in Las Vegas and New York City.

**Presentation:** **Art Wolfe Presents: Earth is My Witness.** A multi-media presentation with projected images, video footage and live narration.

**Abstract:** Art Wolfe's latest award-winning book, *Earth Is My Witness* represents forty years of expeditionary photography. For the first time, Wolfe presents the three subjects at the heart of his work—landscapes, wildlife, and cultures on the edge of extinction—in a single masterpiece that takes us through the world's ecosystems and geographical regions in a vivid display of the fragility and interconnectivity of life on Earth, while simultaneously exploring his evolution as an artist and the techniques he uses to capture the nuances and rhythms of nature.

*Earth Is My Witness* is the most extensive collection of Art Wolfe photography ever compiled. This lavishly produced work spans the globe, bringing the beauty of the planet's fast-disappearing landscapes, wildlife, and cultures into stunning focus. Uniquely conceived and undeniably breathtaking, this elegantly crafted masterpiece will thrill collectors of nature photography and Art Wolfe books and prints. Containing both iconic and unpublished work from throughout Wolfe's well-documented and widely celebrated career, this unprecedented volume presents a comprehensive look at the world's ecosystems, geographical regions, and indigenous cultures.
